I am Shubham Dukare, passionate software developer with expertise in Java, JVM, and strong foundation in data structures and algorithms (DSA). Proven problem-solving skills and a keen attention to detail, ensuring robust and high-quality code. Committed to continuous learning and staying current with industry trends and technologies.

## EDUCATION

### NBN Sinhgad School of Engineering, Pune, Maharashtra, India

Bachelor of Engineering, Computer Engineering | CGPA: 8.39/10

December 2021 – Present

### Pemraj Sarda College, Ahmednagar, Maharashtra, India

Secondary and Higher Secondary Education, Science | Percentage: 82.83%

June 2019 – April 2021

### Bhingar High School Bhingar, Ahmednagar, Maharashtra, India

Maharashtra State Board of Secondary and Higher Secondary Education | Percentage: 83.60%

## PROFESSIONAL EXPERIENCE

### [Biencaps Systems Pvt.ltd](#)

December 2023 – January 2024

Flutter Developer - Intern

- Explored the realm of mobile app development through Flutter internship.
- Implemented user-friendly solutions, ensuring top performance and scalability under senior guidance.
- Collaborated with professionals, refining my skills in Dart and Flutter while contributing to impactful projects at Biencaps.

## PROJECTS

### [WatchWave](#)

Tech Stack: Java, JavaFX, JDBC, SQL.

- App built using java for each Movie's, Series and Cricket Match's description.
- User interface: Developed with JavaFX, offering a visually appealing and user-friendly interface.
- Performance: Utilizes Core Java concepts to ensure efficient data handling and smooth application performance.
- Backend: Uses SQL to manage and store data efficiently, supporting robust backend operations.

### [Smart IOT Car Controlled Through Flutter Application](#)

Tech Stack: IOT, ESP8266, Dart, Flutter.

- Control and Monitor Smart Car Remotely with a Flutter Application.
- Allows users to control the car's movements (forward, backward, left, right) from a distance via the Flutter app.
- IOT Hardware: Incorporates sensors, actuators, and microcontrollers to facilitate interaction with the car.

## SKILLS & OTHER

- |        |        |           |       |
|--------|--------|-----------|-------|
| • Java | • JVM  | • DSA     | • SQL |
| • OS   | • Dart | • Flutter | • IOT |

## CERTIFICATIONS & ACHIEVEMENTS

- [Java, Data Structures and Algorithms.](#)
- [Operating Systems.](#)
- Solved 200+ problems on Leetcode.
- Got 100 days daily streak badge on Leetcode.
- Participated in Smart India Hackathon 2023.
- Volunteered in Sinhgad Spring Festival 2024.
